Brandywine Realty Trust is excited to offer you , a Web-based amenity program available exclusively to Brandywine Realty Trust tenants.

This reference guide is designed to familiarize you with eTenants' functionality and the numerous benefits the service offers.

**We encourage all employees to sign up and begin experiencing the benefits today.**

## Benefits

**Single source of information** – eTenants provides you with valuable information about the building you work in and the surrounding area, all in one easy-to-access location.

**Streamlined workflows** – eTenants' on-demand request tools streamline processes, improving overall efficiency and performance.

**Enhanced communication** – eTenants resources and messaging tools ensure that information is communicated to you in a timely manner.
